

# baptism

## We are so glad you have chosen to be baptised!

below is some information to help you prepare for the day!

---

### what to wear

come to church in your regular clothes, with a change of clothes for the baptism.

we will provide you with a tshirt to wear, but please bring shorts and appropriate under-clothing to wear to be baptised.

also bring along a towel, and a bag to take your wet clothes home in!

### special guests

please let us know how many friends or family you have invited to celebrate with you on the day, so we can reserve them a seat!

### before sunday

before you get baptised, ps peter would love to chat with you to hear your heart behind the decision and answer any questions you may have!

---

## the service

*it will run as a fairly regular sunday service, just with the addition of a baptism segment, and a sermon centred around that!*

### getting ready

at a point during the service, ps peter will announce for all those getting baptised to go get changed and ready.

### baptism

when it's time to get baptised, all the breakthrough family will be invited to stand around you - so we can celebrate this special moment! After being baptised, you can go get changed.

### celebrate

after church, we would love to celebrate with a special morning tea together - you are and your family are invited!

### sharing

before you get baptised, ps peter would love to give you an opportunity to briefly share publicly a little bit about your decision.

you could share how you came to know Jesus, why you are choosing to get baptised or what Jesus means to you. It can go for 10 seconds, or it can go for 3 minutes - it is completely up to you.

during this time, you are very welcome to have your family or a friend to stand with you to support you as you share!
